Where physical development, mental stimulation, spiritual nurturing and social interaction all take place.

2024 Summer Camp Information

LPP Parents,

We are excited to invite you to our summer camp, "Our Town". Each week we will focus on a different aspect of our town:

- Our Ocean
 - We will learn about our ocean, water safety, and even have a visit from the Pacific Marine Mammal Center.
- Laguna Beach for Kids
 - What's available for kids in our town? We will explore different types of activities and experiences for kids in Laguna Beach.
- Laguna Beach Heros
 - We will visit different local heroes and learn what they do. (fire station, police station, library, water district, etc.)

Students can sign up for individual weeks, or for all three! The program will run daily, 6/10-6/28/24, from 9am-noon. Our summer camp is very interactive and we will take several field trips. All current students are eligible to enroll. If your child is not toilet trained, or is under 3, some field trips may be substituted for different activities on campus. New students must be 3 years old and toilet trained to attend.

Fees and Tuition

All 3 weeks - \$750

By-the-week - \$275/week

A non-refundable \$250 deposit will be processed via Tuition Express at the time of registration. The remaining balance will be due 6/1/2024. There is no registration or supply fee for current or registered students.

Space is very limited, so send in your registration quick! We hope to see you there!

Blessings,
