## ***2020-21 Fall Registration Information***

Future LPP Parents,

Welcome to LPP! Thank you for choosing us to partner with you and your family to provide your child's first school experience. We look forward to the coming school year. Enclosed you will find the registration form for the 2020-21 school year.

Within our community and beyond, LPP partners with the Laguna Beach Early Learning Community Task Force, the Laguna Beach Unified School District, the Orange County Department of Education, and the Orange County Early Childhood Mental Health and Wellness Program. New this year is a collaboration with the Orange County Mental Health and Wellness Program. Through these programs we receive ongoing training/professional development, parent support, parent education, guidance and support for our program and the children we serve. Through these programs we have received ongoing training/professional development, as well as guidance and support for our program and the children we serve.

Laguna Presbyterian Preschool is blessed to have dedicated and knowledgeable staff working, creating and learning to provide your children the best quality program possible. We continue to strive for Christ-centered, developmentally sound classrooms to ensure a creative, loving and appropriate learning experience for your child.

We will continue to follow the LBUSD school calendar for the 2020-21 school year. We will have an earlier start this year. Our first day of class will be August 31, 2020.

### **Fall Programs**

#### **Morning Programs**

We offer 2 different school programs at LPP; Preschool and Pre-Kindergarten (PreK) (Developmental Kindergarten, DK is part of our PreK).

- The **Preschool** program is for our 2 to 4 year olds (children who are not going on to kindergarten the following fall). This program is offered in 2-day, 3-day and 5-day formats. This year, we are offering our non-toilet trained students 2-day and 3-day schedules (if you are interested in 5 days, please contact the office).
- Our **PreK** program is for those children turning 5 by 9/1/21, who are planning on entering kindergarten the following fall. PreK is offered in a 3-day or 5-day format. We are quite proud of our PreK program here at LPP. We continue to receive accolades for our efforts from parents as well as our colleagues that teach at the kindergarten level for LBUSD. Our students are consistently well-prepared and successful in taking that next step in their education.

- Our **Developmental Kindergarten (DK)** program is part of our PreK offering, but is designed specifically for children who will turn 5 by December 31, 2021. DK with Mrs. Schott, continues to be a success and a great asset to our community as a developmentally appropriate, best practices, answer to Transitional Kindergarten. This program is a 5-day, 4 hour program, running M-F from 9-1. The extra hour provided in this program allows the teachers and students, who are developmentally ready, to delve deeper into the curriculum with even more hands-on activities and learning. For more information regarding this program, please stop by, or call, the office to discuss or schedule a tour.

In all levels of our programming, our award-winning staff collaborates with colleagues and continues to further their knowledge through conferences and seminars to offer a high quality program to your children, bridging the gap between preschool and kindergarten.

**Due to student-teacher ratios, space in specific schedules may be limited, please submit your registration promptly to ensure the schedule of your choice.**

### ***Early Morning Enrichment Program***

LPP offers an Early Morning Enrichment Program allowing for drop-off at 8:00am. The program runs from 8-9:00 with each day bringing new activities for the children to participate in. This is a drop-in program.

### **Afternoon Programs**

#### ***Extended Day Program***

Our extended day program offers extended hours to your child's day from 12-4:30. This is a free-choice type of environment for your child with activities in the classroom as well as outdoors to choose from. During this time we also offer a variety of enrichment opportunities (i.e. cooking, science, sports, book blasters, art, and music and movement) available at a nominal fee. For those families who utilize the x-day program in its entirety, we also offer a flat monthly fee, please let us know if this will suit your needs.
